## Fauciglietti Engineering

Fauciglietti Engineering studio was founded in 1986 by Renzo Fauciglietti together with his wife Graziella Bianchi: the aim was "the search and development of new products of design as well as their planning and their production". The prizes and awards they have received (Technotel in Genoa, Compasso d'Oro, Neste Form in Finland, the silver medal at Batimat in Paris) are the result of a constant job of research and innovation in the product development. Furthermore Renzo Fauciglietti is teacher at Centro di Cultura Scientifica "Alessandro Volta" in Como and university lecturer at Politecnico and Bocconi in Milan.

Lo studio Fauciglietti Engineering viene fondato nel 1986 da Renzo Fauciglietti insieme alla moglie Graziella Bianchi: l'intento è "contribuire alla ricerca ed allo sviluppo di nuovi prodotti di design, alla loro progettazione ed alla loro creazione". Il premio Technotel di Genova, le segnalazioni al Compasso d'oro ed al Neste Forma Finlandia, la medaglia d'argento al Batimat di Parigi sono i risultati di un lavoro costante di ricerca e di innovazione nello sviluppo del prodotto, un impegno al quale si affianca l'attività di docenza al Centro di Cultura Scientifica "Alessandro Volta" di Como, al Politecnico di Milano e all'Università degli Studi "Bocconi" di Milano.

## valeoVmeetingtable

Valeo series is born from the careful analysis of shapes and materials. Leather, metal and glass join to create desks and meeting tables suitable for all offices and conference rooms. The wide range of finishing, models and sizes can satisfy the need to furnish both small offices and large spaces such as meeting rooms or conference, with an elegant and extremely functional solution.

La collezione Valeo è nata da un'attenta analisi delle forme e dei materiali. Cuoio, metallo e vetro si uniscono per creare scrivanie e tavoli riunione eleganti e adatti a qualsiasi ambiente di lavoro e sale riunioni. L'ampia scelta di varianti, modelli e dimensioni è in grado di soddisfare l'esigenza di arredare sia uffici di piccole dimensioni che grandi spazi come sale riunioni o conferenza, in modo elegante e estremamente funzionale.

## The natural beauty of the leather

Leather brings a feeling of unique naturalness to our senses: touch, look and smell this material gives a sensation of pleasure and familiarity. Using transforms leather, making it year by year a story of our lifestyle.

Not only emotional, but also technical qualities: versatility, endurance and durability go hand in hand with softness and flexibility.

Il cuoio trasmette una sensazione di naturalità inconfondibile ai nostri sensi: toccare, osservare e sentire il profumo di questo materiale regala una sensazione di piacere e familiarità. L'utilizzo trasforma il cuoio, rendendolo nel tempo un racconto del nostro stile di vita. Alle qualità emozionali, si affiancano quelle tecniche: versatilità, resistenza e durata, vanno di pari passo con morbidezza e flessibilità.

## The excellence Made in Italy

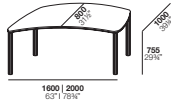

"Enrico Pellizzoni" brand was created in 1986 from a tradition in leather production that had spanned almost one hundred years. Since the early 1900s, the Pellizzoni family had made of leather their passion, initially entering the footwear sector but immediately repositioning themselves in furnishings. The company is traditionally based in Mariano Comense (Como - Italy) and has been established in its current 4,000 sq. m. complex since 1988, where essential residential and office furnishings are produced: chairs, armchairs, stools, sofas, tables, desks, cabinets and beds.

Il marchio "Enrico Pellizzoni" nasce nel 1986, dopo un'esperienza di lavorazione del cuoio centenaria. Fin dal 1900 infatti la famiglia Pellizzoni ha fatto del cuoio una vera passione; entra inizialmente nel settore calzaturiero orientandosi poi nella produzione di articoli d'arredo. L'azienda storicamente situata in Mariano Comense (Co), dal 1988 si è stabilita nel suo attuale complesso di 4000 mq, dove produce complementi d'arredo per la casa e l'ufficio: sedie, poltrone, sgabelli, divani, tavoli, scrivanie, contenitori, letti.
