## Cappelletti&Pozzoli

Giuliano Cappelletti was born in Cantù in 1946. Enzo Pozzoli was born in the same town four years later. Both got their diploma at the Institute of Art and both graduated in Architecture at the Polytechnic in Milan. They had got the same background and they opened their professional design study Udacanturiodesign in 1974. Prizes and awards come soon: the most important ones are the "Compasso d'Oro" in 1990 and the "Five Star Prize" in the years 1988, 1989 and 1990.

## The excellence Made in Italy

"Enrico Pellizzoni" brand was created in 1986 from a tradition in leather production that had spanned almost one hundred years. Since the early 1900s, the Pellizzoni family had made of leather their passion, initially entering the footwear sector but immediately repositioning themselves in furnishings. The company is traditionally based in Mariano Comense (Como - Italy) and has been established in its current 4,000 sq. m. complex since 1988, where essential residential and office furnishings are produced: chairs, armchairs, stools, sofas, tables, desks, cabinets and beds.

Il marchio "Enrico Pellizzoni" nasce nel 1986, dopo un'esperienza di lavorazione del cuoio centenaria. Fin dal 1900 infatti la famiglia Pellizzoni ha fatto del cuoio una vera passione; entra inizialmente nel settore calzaturiero orientandosi poi nella produzione di articoli d'arredo. L'azienda storicamente situata in Mariano Comense (Co), dal 1988 si è stabilita nel suo attuale complesso di 4000 mq, dove produce complementi d'arredo per la casa e l'ufficio: sedie, poltrone, sgabelli, divani, tavoli, scrivanie, contenitori, letti.
